Why the need for silence?

Silence can seem threatening at first. Yet silence is the country where the saints learned their language. If you find the silence strange, just sit quietly with it and you will find it changes and becomes warm, friendly and invigorating. Silence creates space. At first we think it empty space but then we begin to find God in the space. We find that, as the noise settles we can hear ourselves think. We can listen to the words that come from our own hearts, the anxieties that we have been avoiding, the questions that we need to ask. We find we can read scripture, or a devotional book and discover in it new depths of meaning. Everything begins to speak of God. Accept the silence as a friend and after a short time you will be reluctant to let it go.

“All human evil comes from a single cause, man's inability to sit still in a room.”
Blaise Pascal (Mathematician, Philosopher and Physicist, 1623-1662)

There is a Healing service at the Convent of the Holy Name, Morley Road, Oakwood, Derby at 7.30pm on Mar 14th, June 13th, Sept 12th and Dec 5th.
Do come along: we have always found them most helpful.
